

DS-Tmini

10.1" order terminal

DNP
Photo Imaging

The compact, portable and powerful order terminal suitable for any environment

DS-Tmini is a portable order-terminal of 10.1" that offers a userfriendly interface and practical touch technology. The many features of DS-Tmini makes it ultimately ideal for photo retailers or event photographers.

Perfect for smartphones with both wired and wireless connectivity, just plug and play! You can now create amazing value added products such as photo books, calendars or greeting cards, including panorama prints.

Compact when it's folded, bring it everywhere!
